

Federico Collarte

Baraja

Founder & CEO

Federico Collarte is a co-founder and CEO of Baraja. With a diverse background in product development, systems engineering and reliability qualification, Federico's extensive experience spans across the industrialisation of high volume telecommunication devices at Finisar, and the end-to-end systems engineering of an implantable hearing solution at Cochlear. Federico graduated from Universidad Peruana de Ciencias Aplicadas, in Lima, Peru, with a degree in Electrical Engineering before obtaining a master's degree in Innovation and Technology Management from the University of Queensland in Brisbane, Australia.
